## Military Friendly Programs

Bryan College is proud to offer educational opportunities to active and reserve military personnel, veterans and their families. As a member of the military or as a veteran, you or your spouse may be eligible for financial aid assistance under the Montgomery GI Bill or Post 9/11 GI Bill. As a Bryan College student, you may be entitled to financial support for tuition, fees and housing based upon factors such as years of service, where you live and the type of degree you pursue. The experienced admissions and financial aid staff at Bryan College are available to help you fully understand your benefits and get you started. For more information on these benefits, you may also visit <http://www.gibill.va.gov>.

## Degrees Available

- Advanced Therapeutic Massage & Bodywork

## Our History and Purpose

Bryan College was established in 1940 with the purpose of providing career-specific education based upon principles of integrity and excellence. The college has grown from a one classroom institution to now offering multiple degree programs at various campus locations. The mission of Bryan College is to be the premier provider of innovative, quality education that enables our graduates to succeed and become leaders in their chosen field.

For all programs being offered at Bryan College, students receive not only a technical foundation that is specific to their chosen career field, but they also receive critical business skills necessary to succeed in today's competitive environment. It's a powerful combination that is rare in higher education, and one that employers expect.
